

Sigma Kappa is for a Lifetime

Sigma Kappa is defined by every woman that bears her name. We are dedicated to the friendships we have made and inspired by the women we call sisters. We are educated, strong, incredible women. We are serving others and striving for excellence in our daily lives. We are mothers, daughters, friends, wives, and sisters who make a difference in the lives we touch. Our sisterhood crossed generational boundaries. We are loyal and true. We are Sigma Kappa and Sigma Kappa is for a lifetime.

Supporting Sigma Kappa

Sigma Kappa relies on the annual dues of our alumnae and collegiate members to operate. Per capita, the national dues program, allows the organization to provide a number of resources for our members.

Here are some highlights of what your annual \$25 per capita payment supports:

- Programming, trainings, and other educational resources for alumnae and collegians
- Extension opportunities for both alumnae and collegiate chapters to ensure growth of our organization
- Technology initiatives such as www.LiveSigmaKappa.com The Sigma Kappa website, A Facebook page designed by GIN Systems, Virtual Violet
- An amazing staff stationed at national headquarters to assist members.

Our gifts to you for supporting Sigma Kappa: Hardcopy of the Sigma Kappa Triangle, coupons from licensed vendors and membership to the private side of LiveSigmaKappa.com. Sisters who pay before February 1 will be entered into a drawing with over \$500 worth of prizes.

Please consider supporting Sigma Kappa in a meaningful way!
